PRESIDENT'S MESSAGE

Dear Brothers and Sisters,

As we begin our fall season, many historical and social events begin to unfold in our lodge. Starting with October "Italian Heritage month" celebration at our lodge with Taste of Italy delicacies. It is open to all at no charge. I encourage all our members, their friends and family members to attend. This event last year was a big success, and enjoyed by all in attendance.

We will be planning next year's events at our November 5th Executive Council meeting at 5:00 pm, prior to our regular meeting. Any member wishing to submit a suggestion or share your ideas in planning next years' activities are encouraged to attend.

The Executive Council has asked me to announce to our members that we still have vacant positions that need to be filled. Your participation on these committees involves minimal time on your part. Our lodge success depends on your participation. Take the plunge, you will meet new people, have some laughs and enjoy the fun it brings, while supporting your lodge. The positions are: Membership, Events, and Cultural committees.

This years' Christmas committee is also looking for addition volunteers, if you can assist on these committees, contact sister Maria Maule at 845-656-7360 any time.

Plan now to attend our annual Christmas party on Dec 3rd at the Jupiter Recreation Center. Again, bring family and friends. At our January meeting, we will be honoring our "Person of the Year".

Our monthly luncheon was well attended by our members at The Bone Fish Grill.

Fraternally yours,

Donald A. Maule

ITALIAN CULTURE

We are a generation that will never come back. A generation that:

- Walked to school.
 - Did their homework alone to get out asap to play in the street.
 - Spent all their free time in the streets with friends.
 - Played hide and seek when dark.
 - Made mud cakes.
 - Collected sports cards.
 - Bought vinyl albums to play on record players.
 - Collected photos of clippings of their life experiences as a kid.
 - Played board games and cards on rainy days.
 - TV went off.
 - Parents who were there.
 - Sunday dinners with entire family.
 - Laughed under the covers in bed so parents didn't know we were still awake.
 - A generation that is passing and unfortunately it will never return no matter how hard we try. I loved growing up when I did. It was the best of times.
