Vol 29, Issue 11

## PRESIDENT'S MESSAGE

Dear Brothers and Sisters,

As the holiday season rapidly approaches, I look forward to seeing our members stepping forward to advance our order by accepting the challenge to fill a position on Executive Council during this year's election cycle.

During Veterans Day, we will be recognizing a fellow lodge member who have served this country with courage and honor. "Thank you" to all who have served.

As I have stated in prior newsletters, we are continuing to seek out members to fill vacant committee positions; Membership, Italian

Culture, Events Committee, and Charity Committee.

Charity begins at home. In saying this, we will be offering a new game of chance to the lodge. It is called "Show Me the Money". Bring your piggy bank and your card playing skills to our November meeting.

Our Christmas Party will be held at the Jupiter Recreation Center on December 3. Turn-out for this fund raiser to support our annual charities, such as Cancer, Autism, Alzheimer's and Cooley's Anemia is needed.

Continuous support by our members, family and friend is greatly appreciated. I'm looking forward to seeing all of you again.

Did you know? Trump declares COLUMBUS DAY as the only official national holiday in October? Italians we're back.

Fraternally yours,

*Donald A. Maule*

## ITALIAN CULTURE

### FESTA DELLA SALUTE

Every **November 21**, Venice celebrates the Festa della Salute. It is a cherished tradition honoring the city's deliverance from the plague in 1630. This festival pays tribute to the Virgin Mary, who is believed to have protected the people. The highlight is a precession across the wooden bridge, Ponte della Salute, leading to the Basilica di Santa Maria della Salute. Venetians light candles and offer prayers for health and protection. Delicious treats, like "frittelle" (sweet pastries) are enjoyed. It is a festive occasion filled with community spirit, hope and gratitude as Venice honors its resilience.

## ITALIAN TRIVIA

NOV.1- **All Saints Day** was initially only celebrated in Rome. In 837 Pope Gregory IV extended it to the entire church, making it a national holiday.

## LET'S PRACTICE ITALIAN WORDS

**November 11**, lets us remember to thank our Lodge members who served. They are the reason we live in the land of the free and home of the brave.

[Veterans Day](#) is the day set aside to thank and honor **ALL** those who served honorably in the military – in wartime or peacetime. In fact, Veterans Day is largely intended to Thank **LIVING** veterans for their service, to acknowledge that their contributions to our national security are appreciated, and to underscore the fact that all those who served – not only those who died – have sacrificed and done their duty.
